A BIT ABOUT US

FAIRPORT CONTAINERS LTD IS A FAMILY RUN BUSINESS, WHICH WAS FIRST ESTABLISHED IN ADLINGTON, CHORLEY IN 1993. WITH OVER 25 YEARS OF EXPERIENCE AND AS THE FIRST COMPANY TO OFFER WASTE CONTAINER REFURBISHMENT, IT IS WELL PLACED AT THE FOREFRONT OF TODAY'S INDUSTRY.

With facilities in Lancashire, Buckinghamshire and Somerset, the continued growth of the company gives our customers nationwide coverage and allows for lower transport costs as well as reducing our carbon footprint.

The UK's No.1 Waste Container Refurbisher

✓ 25 years of experience ✓ Flexible and adaptable service ✓ A company you can trust ✓ ISO9001, ISO14 001 & OHSAS 18001

FOR OUR ONLINE SHOP VISIT [FAIRPORTCONTAINERS/ABOUT-FAIRPORT-CONTAINERS](https://www.fairportcontainers.co.uk/about-fairport-containers)

Over the past 25 years Fairport Containers has carried out many refurbishing projects for both public and private sector organisations including Biffa, Veolia, Suez (formerly Sita), Bywaters, Viridor, Amey, Enfield Borough Council, Bath and North East Council, East Riding Council, Wiltshire Council, Northampton General Hospital, Rugby Council, Bolton BC, Preston Council and Aylesbury Vale Borough Council to name a few.

CALL US NOW FOR A NO OBLIGATION QUOTE ON **01257 476076**

The purpose of steel waste container repair & refurbishment is simple: it saves you money.

We can fully refurbish all steel waste containers, which saves our customers up to three quarters of the cost of buying new. With our nationwide presence spread out over three depots, we cover the whole of the UK, staying local to all of our customers whilst keeping your transportation costs low.

We also offer a full mobile onsite refurbishment service where one of our professional teams can 'bring the workshop to you'. So whatever your waste container needs; Fairport has got it covered.

REFURBISH & REPAIR

All repairs are carried out to CHEM Standards using the highest quality spare parts BS EN840. Once the repairs have been made, we complete the refurbish by spray-painting the container using high in solids and low in solvent paint in order to comply with Health & Safety and Environmental Standards.

Vinyls can be applied at an agreed cost and can be designed in-house and applied to containers during the refurb.

Each and every container goes through the final quality checks to ensure our high standards are maintained.

AT FAIRPORT CONTAINERS WE ARE COMMITTED TO SAVING OUR CUSTOMERS MONEY, WITHOUT COMPROMISING ON QUALITY AND REMODELLING EXISTING CONTAINERS INSTEAD OF BUYING NEW IS A VERY COST EFFICIENT WAY OF MAXIMISING YOUR ASSETS. WE CAN MODIFY ANY CONTAINER FROM TURNING A COMPACTOR INTO AN OPEN BULK CARRIER TO CHANGING A LOCKING SYSTEM. NO JOB IS TOO BIG OR TOO SMALL.

Examples of remodelling work are:

- Increase container capacity
- Fit seals on door to make container watertight
- Retractable roofing solutions
- Perforated flooring to allow leachate to separate from waste
- Fit valves to drain leachate and waste water
- Chute changes from Barrel to High Roll Security
- Adding and changing doors and locks

Uniquely at fairport, we offer a no obligation quotation service, where we will travel to anywhere within the UK and accurately assess your container and then supply a low-cost fixed price.

REMODELLING

CHARITY, TEXTILE & RECYCLING BANKS DIVISION

FAIRPORT CONTAINERS ARE ABLE TO PROVIDE YOU WITH A VARIETY OF BANK SERVICES INCLUDING BUYING AND SELLING OF NEW OR SECOND HAND BANKS. AS WELL AS THE SERVICES DETAILED BELOW.

REFURBISHMENT

If your banks are looking tired and weary, we can provide a full bank facelift. Full refurbishments include shot blasting, painting and any modification, security or otherwise.

REBRANDING

Whether you require a new design or a complete re-brand, our in-house team is happy to advise and even design a new look that will best promote your individual business needs. We will provide you with a quote and apply the vinyls for free.

SPECIALISED TRANSPORT

Fairport has developed a fleet of specialist flatbed trailers with a rear mounted Hiab, which has a reach of up to 12 metres allowing access over walls, fences, barriers and unstable ground. Due to the Hiab lifting capabilities, banks do not need to be emptied. It has capacity to transport up to 18 x 4ft clothing banks at any one time. Fairport offers nationwide transport coverage at one standard competitive fee.

Contact our Recycling Bank Divisions on 01257 476 062 or visit www.fairportcontainers/textile-recycling-banks

THE OFFER

At Fairport Containers we will buy unwanted, used skips or waste containers. Fairport is ready, willing and able to buy skips, front end loaders, rear end loaders, roll on roll off containers, metal trade waste wheelie bins and recycling banks. It does not matter how bent, damaged or rusty the container is, as long as it is of a salvageable standard we guarantee to pay above scrap value.

GET IN TOUCH

SITE VISIT & VALUATION

A member of our team will be in touch to arrange a convenient time to visit your site, wherever you are in the UK, to appraise your skips for sale and give you an instant quote.

PAY & COLLECT

We will arrange a convenient time and date to make payment and collect.

ONLINE SHOP

Fairport Containers sells a wide selection of waste container spare parts. Our spare parts are ideal if you are looking to repair, improve or modify your existing containers. You can either buy spare parts to fit yourself, or our refurbishment team can carry out the work for you.

All our spare parts are in excellent condition, competitive prices, meet BS EN40 and CHEM Standards.

Our extensive network of contacts in the waste industry has allowed us to build up an impressive collection of spare parts, which we keep in stock at our large depots across the UK.

Please contact us if you need a specific spare part which you can't see listed in our shop.
